A MESSAGE FROM ANNA

Hello and welcome to GBAG! Thank you so much for being a valued customer!

We are proud to celebrate our 10th year in business with a continuing commitment to replacing environmentally-challenged, one-time-use, paper and plastic bags with California-certified, customized, eco-friendly reusable bags. What sets us apart from other multi-level bureaucratic businesses is that you can rely on me directly to provide one-stop shopping for clear answers, recommendations, prices, artwork reviews and delivery times to meet your needs.

I personally guarantee you the unbeatable **4-in-1 Combination:**

- 1. Fastest Turnaround**
- 2. Highest Quality**
- 3. Great Pricing**
- 4. A+ Customer Service**

Overseas projects just got easier! Our talented team has pioneered a one-of-a-kind online **Custom Order Station** that allows you to submit PO and artwork, approve printing layout, check order details, and view pictures of progressive stages of bag production in real time. Plus, you can see the details of all your previous orders, which makes re-ordering so much easier. You can also track shipments and make payments via this all-in-one Station. 100% customer satisfaction is guaranteed.

You imagine it. We make it. You need it. We deliver it!

Together we can do it! I'm only a phone call away,

"Hi! This is Anna. How can I help you?"

GENERAL INFORMATION

Turnaround time

- Pre-production sample: 2-3 weeks after approval of print layout.
- Mass production: 8-10 weeks after approval of print layout or pre-production sample with ocean and ground shipping.
- Rush production: 4-6 weeks after approval of print layout with air freight shipping.
- Extreme rush production: 3-4 weeks after approval of printing layout with FedEx Priority shipping.

Artwork requirements

- Artwork files must be submitted in an acceptable file format — AI, PDF or PSD (See Page 128 for details)
- Artwork template can be generated on our website.
- Artwork specs and layout instructions can be downloaded on our website.

Proofs for laminated bags

- A virtual (digital) sample is provided free-of-charge when an order is placed and print-ready artwork is provided.
- A physical pre-production sample can be ordered for \$298 — add 2-3 weeks to total production time.
- If physical pre-por is not ordered, pictures of the first finished bag will be provided before mass sewing.

Proofs for fabric bags

- A digital proof showing imprint location is provided

free-of-charge.

- A physical preproduction sample can be ordered for \$198 – add 2-3 weeks to total production time.
- Pictures of the first finished bag will be provided.

Color accuracy

- The final printed color is determined by the artwork file(s) submitted. Because most computer monitors display colors inaccurately, the final printed color may vary from its on-screen appearance.
- If a specific color needs to be matched, a PMS# must be specified, and an extra plate made.
- If overall color needs to be matched, the customer needs to provide a color-correct print for the production facility along with the artwork and order. A \$99 international shipping charge will be added to cover the cost of forwarding the color-correct print to the facility.

Plate charges

- 4-color process printing requires 5 plates: CMYK + white. The maximum number of colors (and plates) is 7: CMYK + white + 2 spot colors.
- Spot color inks also may be required for color matching, for large solid areas of color, or small colored text or fine lines. Each additional spot color requires a separate printing plate.
- The number of plates needed will be determined when the final artwork is submitted and reviewed.

Over/under runs

- The exact quantity is provided for no additional charge. Occasionally, there may be an over or under-run, but they will be within 2%.

Air freight

- If an order needs to be delivered in 3-4 weeks, FedEx Priority door to door delivery is required. If an order needs to be delivered in 4-6 weeks, FedEx or UPS air freight will be needed.
- Shipment of over 2500 units will be shipped via air freight from airport to airport and ground delivery to the destinations with 5-10 days transit time.
- Shipment under 2500 units will be shipped via FedEx International door to door with 3-5 days transit time.
- Partial air shipment is available to meet certain events, remaining order can be shipped via ocean.

Shipping terms

- We have partnered with UPS and FedEx to handle all shipments from overseas origin to US mainland destinations. 3rd party pick up is not available unless the final destination is outside mainland US. Shipping on client's account is not available.
- Shipment will be delivered on pallets via LTL freight. If loading dock is not available, lift gate will be required with \$90 extra fee.
- Shipment to multiple locations is available with \$10 per additional location plus the higher rate for lower

quantity LTL freight.

- Pallet break down and inside delivery are available with for additional fees starting with \$90.
- If the delivery destination is in downtown metropolitan area with no loading area available, there will be an extra \$150 special handling fees.
- 35% upcharge for high value zip code area.
- Residential delivery is available with \$150 upcharge
- Orders ship from CA 90221

Packing and carton printing

- Cartons are custom-made based on bag sizes.
- Normal packing is 100/carton for regular size bags.
- Custom packing or bundling is available. Additional charges may apply.
- Customer information and specs can be printed on the cartons in one ink color at no extra charge.

Delivery

- Every effort will be made to meet the in-hand date, but we can only guarantee the shipping date.
- We are not responsible for shipment delays due to bad weather, port congestion, customs holds, labor disputes, domestic transportation delays, flight delays or cancellations, terrorist attacks, and other factors that are beyond our control.

Cancellation

- The customer is responsible for all materials, labor,

and other expenses incurred from the order date to the receipt of a written cancellation request.

Return policy

- All bags are custom-made and are not returnable.
- In case of printing errors or defects, the customer must contact us within one week of receipt of the bags to pursue a claim for reprint or refund.

Sample policy

- Most custom items are not available as samples. Similar random samples can be provided at no charge.
- Laminated material swatches are also available upon request. Carrier's account number is required for Express shipping and 3+ samples.

Payment

- Normal production (8-10 weeks w/ocean freight): 50% down to start production
- Rush production (3-6 weeks w/air freight shipping): 100% prepayment
- Credit card payment is accepted. Processing fee can be waived for amounts under \$5000.

CA Prop 65 compliant

- All our pre-designed bags have been tested, meet and exceed CA Prop 65 requirements.
- Custom orders can be tested upon client's request.
- Standard ready-made material on the market may

not have been tested for client's specific purposes. If special tests or requirements are needed, a written request needs to be submitted when the order is placed and extra cost will be assessed.

Trademark use

- We assume that the customer has received all logo authorizations prior to sending artwork to us.
- Trademarks, registered marks, and logos shown on our products are to demonstrate print production capabilities only, and are the property of their respective owners.
- We reserve the right to use all product samples and images for marketing and display purposes, unless otherwise specified in writing when the order is placed.
